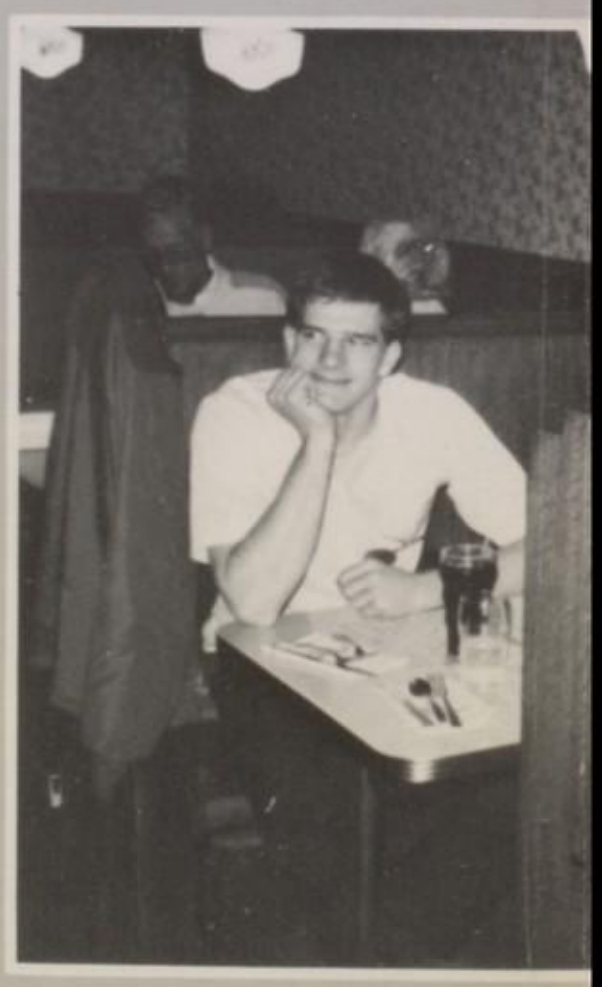
Trainees, Cadets and Top Guns, get ready to start your flight through the 1987-88 school year. Navigation should be easy as we head for a smooth ride through the many seasons of a year at Lake View-Auburn. Destination: graduation for some and summer vacation for most.

The flight will be one short year long. Be sure to keep your eyes peeled and don't miss any highlights that will be appearing between the breaks in the clouds below you.

LVA88 READY

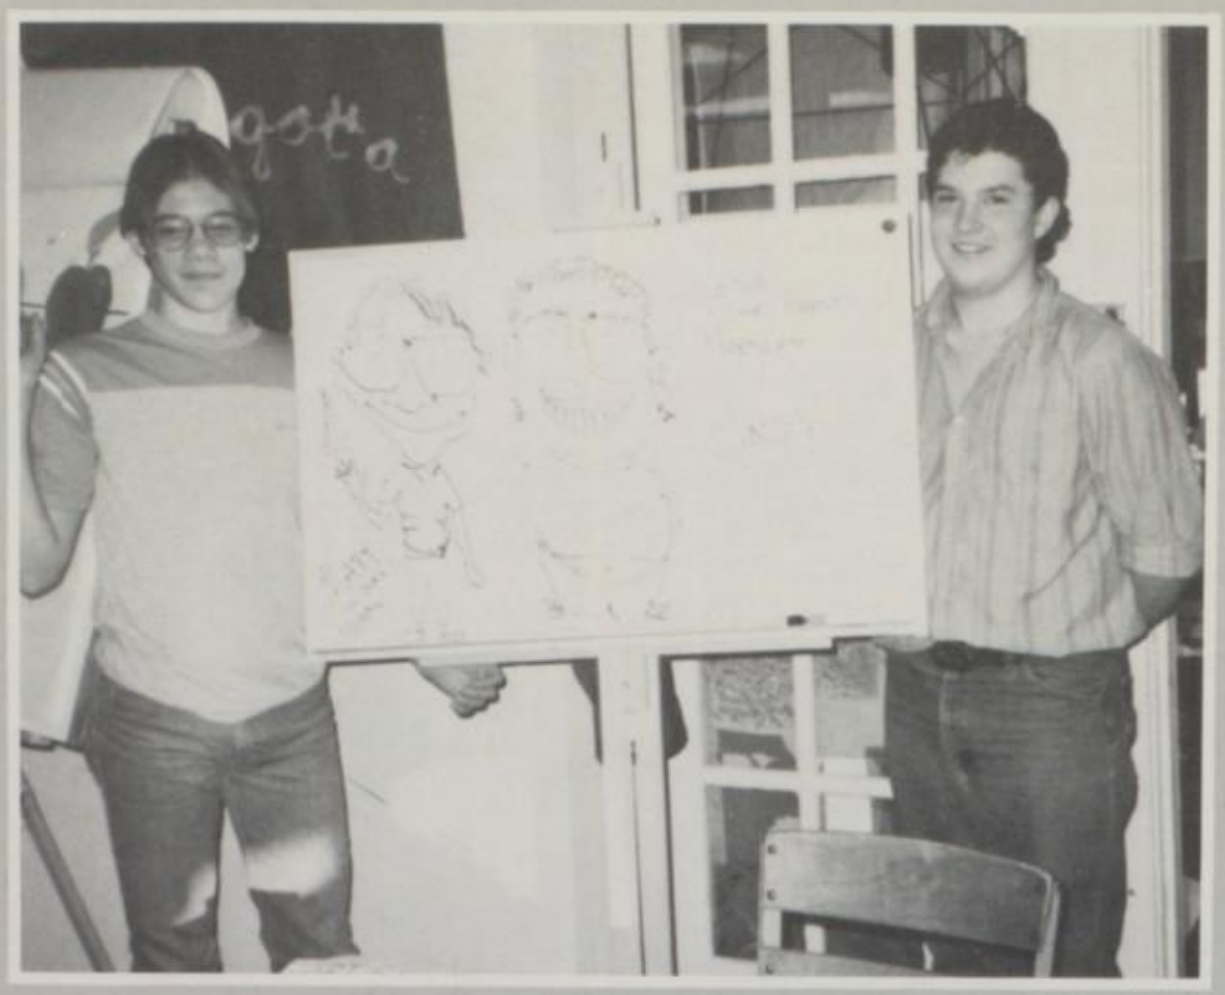


As we take off on our journey, the 200th birthday year of our constitution, we have Oliver North and several scandalous presidential candidates in the media's attention.

As our plane picks up speed, so are Michael Jackson's newest album, "Bad," and numerous remakes of "our parent's" type of music. Tom Cruise still remains in the hearts of many young teen girls, and mini skirts are back in. And for the boys, the shorter the hair, the better.

FOR TAKE-OFF

Rising in altitude, our school spirit also skyrocketed when our football team went undefeated in the regular season and took the conference title. The Blackhawks carried the state's #1 ranking to the play-offs for the first time in LVA's history. This sport, along with volleyball, cheerleading, and all-state, got the school year gliding right along, and everything had settled into auto-pilot by the kick-off dance.



CLEAR THE RUNWAY

A new squadron leader, Mr. Harman, took over keeping all the Trainees, Cadets, and Top Guns in line.

So without further ado, ladies and gentlemen, prepare yourself for the journey that only happens once in a life time.

INTRODUCTION

TO MUSIC

The 49 members of the Middle School band performed at concerts in December, February, and April. Thirty-four members took part in the middle school solo and ensemble contest at Buena Vista College. Three I+, and 12 I ratings were received.

Middle school band members went on tour to Wall Lake and O-A in April, performing concerts for 6-7-8 grade students at each school. The band also competed in the Anthon-Oto large group contest. They received a II+ rating.

The Top Guns of '88 took off together in kindergarten thirteen years ago and will be landing their own private planes in destinations far away.

Gaining and losing some passengers along the way, the class of 1988 brought together all types as one.

With plenty of memories and countless accomplishments, this class will truly never say goodbye.

MEET ANNA-LENA

Anna-Lena Nyman, LVA's foreign exchange student for the 1987-88 school year, was born on January 27, 1970 to Elot and Doris Nyman of Finland. Anna had two brothers, Goran 29, and Henrik 24. Anna's host parents are Terrie Barto and John Van Ness of Auburn.

Anna is a unique student at LVA because she can speak five different languages; Swedish, Finish, German, English, and French. Anna would like to use her ability to speak different languages in a career as a language interpreter.

As a senior, Anna chose to take Spanish, Computers, Government, Advanced Comp., Woods, and Choir. Anna chose cross country as a extra-curricular activity.

During her spare time after school and on weekends Anna enjoys writing letters, going out with friends, and serving as a scout leader.

One experience will always stand out in her mind and that is her first day of school at LVA because she was in a different environment, she didn't know anyone, she had to adjust to a different style of classes, and she felt like she was starting school all over again.

Pilots of spirit Larry Lesle and Wendy Alesch navigated our plane through the busy week as they were elected King and Queen.

All the spirit in and around the school may have accounted for the big win over the Rebels as the trainees, cadets, and top guns all took part in spirit week. Beach Bum, Cowboy and Indian, and Trick or Treat days kept everyone in costume.

Student Council kept us on a smooth path as Larry Lesle, President and Julie Hicks, Vice President instructed the crew on last minute details.

HOMECOMING

Skit night was a success as a new tradition was started when all the past homecoming Kings and Queens were invited back. The seniors took first place for the second year with their skit "Past, Present, Future." The seniors also dominated the lawn display contest with their first place entry "The Rebels Can't Avoid the LVA Noid!"

The Blackhawks, rated #1 in the state, left the Kanahwa Rebels in a tailspin as they shot down a 48-0 victory.

MAPS THE COURSE

Past-president Bob Cleveland presents out-going board member Marvin Rohde a plaque in appreciation of his many years of service to LVA.

A new member to the flight control team was welcomed to LVA as school opened for the 1987-88 term. Les Harman assumed duties as high school principal/guidance counselor and took residence in the upstairs office.

One of the first projects facing the new administration was the drafting of the school's Phase III proposal. The document was submitted and approved, providing funds for many staff development and curriculum development projects for the present and next school year.

The administration and faculty committee submitted an application for a F.I.N.E. school award. LVA received a district placing in this competition.

FLIGHT INSTRUCTOR

Mrs. Louise Drilling states that "teaching at Lake View-Auburn has been the highlight of my 26 years of teaching."

Mrs. Drilling attended college in Pittsburg, Kansas. Her first job was teaching fourth grade in Hutchinson, Kansas. After one year of teaching in Early and two years in Mount Carmel, Mrs. Drilling joined the staff of Lake View-Auburn as a fourth grade teacher. In 1975 she moved to third grade and will finish her career teaching at the Auburn center.

In 1972, Mr. and Mrs. Drilling were pleased to accompany the LVA band to Winnipeg, Canada. This was a very special trip.

Future plans include camping, traveling, biking, and relaxing.

"THE DANGER ZONE"

We're Number One! Ranked #1 in Class A throughout the season, the Blackhawks thrilled their fans with an explosive offense and a stingy defense. Led by 12 seniors, the defense allowed only 12 regular season points. With the Bo-Coon Conference title in hand, the Blackhawks headed into the State Playoffs for the first time in LVA's history. The Schleswig Hawks came to town and left with the victory. The game was hard-hitting, quarterback Paul Kramer left with a broken ankle, but the Blackhawks fought to the end. Although disappointed with the loss, the season was one of many great moments. The post-season honors rolled in for the Blackhawks as several members were named to various All-State teams. Team awards went to co-captains Paul Kramer and Jason Phillips; and co-most valuable players Kevin Garrels and Bobby Winkelman.

ONE OF THE BEST

The LVA vocal music department once again won competitions, received rave reviews, and added accolades to their state-wide reputation. Ten all-staters were selected from LVA and three were chosen to solo with the All-State Chorus. The choir sang its traditional Christmas Concert, participated in the Morningside College Honor Choir Concert, and traveled to Panora to present a clinic and concert to the students of Panora-Linden and Guthrie Center. The climax of the year was the presentation of the musical Camelot.

IN A ROW FOR BAND

Another busy and productive year for the LVA instrumental music department. Under the direction of Mark Woeste, the band began its year's activities by performing as a pep band at home football games. The national anthem was performed by a senior high trumpet trio. An outdoor concert was performed on the west pier of Blackhawk Lake. "Overturn On the Pier" was well received. Concerts were presented to the public in February and May. Several small ensembles and soloists performed for the residents of Twilight Acres, at the LVA retirement dinner, and at small group contest. The band also provided the pit band for the musical Camelot.

The concert band returned from large group contest with its seventh straight I rating

The curtain opened on the 1987-88 theater season when 29 students performed Fred Ballard's "Ladies of the Jury," on November 20, at 7:30 p.m. in the Lake View auditorium.

The setting is a small town in New Jersey where a jury is selected to weigh the evidence of a murder trial. The dramatic proceedings are amusingly interrupted from time to time by one eccentric juror-Mrs. Livingston Baldwin Crane.

OO IT!"

Before the end of the first act, the trial has come to a conclusion. Then the jurors retire to the jury room to deliberate a verdict. On the first ballot, eleven jurors vote "Guilty"; one votes a definite "Not Guilty"! That one unshakeable vote was cast by an aristocratic Mrs. Crane who has her own theories about the murder. Two days pass in the jury room until a unanimous "Not Guilty" vote is reached.

Margaret Clausen and Wendy Alesch were named "Best Thespians" for their contributions to the drama department during the year at the new member initiation banquet held at Lakewood May 23.

The Thespians headed several fundraising projects during the year. Proceeds from selling homecoming badges, football playoff sweatshirts, the Christmas newspaper, and hosting the Boy Scout jamboree were used to support troupe activities.

A SIDE-TRIP

After months of test flights, the Fine Arts Department led a return to the age of chivalry, romance, knights in shining armor, fair maidens and magic, where people of unique character and disposition create a new philosophy—might for right!

The time, of course, is none other than that of King Arthur and the Knights of the Round Table in the kingdom of Camelot.

Ladies and gentlemen . . . please fasten your seatbelts and prepare for landing. Please secure excess baggage of books, basketball shoes, art supplies and locker decorations away for the summer. The landing gear is down and we are making our approach for landing.

Descending in altitude, our autopilot was shut off and students had to dig in for semester tests and final grades.

Basketball manuevers ended when the boys reached district finals and LVA glided into track and the state track meet for eight boys and girls.

LANDING GEAR DOWN

The highlight of the gunners (on leave) activities was Prom 88, "Only In My Dreams" and the new Lakewood Ballroom hosted it for the first time.

Kings and Queens boarded the plane as we broke the barrier of time and jetted into the land of Camelot for our spring musical.

The Class of 1988 prepared for their final test-flight before becoming certified to go out on their own.

Ladies and gentlemen please prepare to exit this flight of the long-short year, 1988. But before we land, "Request permission for a fly-by."

"NO, TOP GUN, REQUEST FOR FLYBY DENIED . . ."

FINAL FLYBY

We have touched down at our home base and the flight was complete with many triumphs. It was a banner year at Lake View-Auburn and many accomplishments will be put down in the record books.

As editor, I would like to thank the Top Gun staff for all the work and congratulate them for a job well done.

A special thanks goes out to Mrs. Bradshaw and Mr. Roberts for their "Top Notch" guidance and advice.
